

St. Cloud Technical & Community College Bookstore & Coffee Shop

St. Cloud, MN

Integrity Built

Loeffler Construction & Consulting provided Collaborative Design Group with a Schematic Design cost estimate for the creation of a new bookstore and coffee shop on campus. New storefront glass was incorporated into the existing corridor to provide better views to both the coffee shop and bookstore.

Unique floor and wall finishes were incorporated for branding purposes, updated mechanical systems and lighting for energy efficiencies and occupant comfort were also incorporated. Collaborative Design Group designed the St. Cloud Technical & Community College Bookstore to increase the use of the area with intent to open the quality interior finishes and casework for users.

Client - Collaborative Design Group

Construction Cost - \$1.3 Million

Project Size - 9,100 SF

Loeffler Role - Cost Consultant
