Chiropractic & Wellness Center

Integrity Built

Exuberance Chiropractic & Wellness Center was growing and wanted to expand their practice within Lakeville to better serve their clientele. They approached Loeffler to serve as a Design-Build Partner to build out 1,200 SF of existing space for an additional chiropractic office.

The project included a light-filled lobby and reception area, patient rooms, a massage therapy room, rehabilitation area, as well as an office, kitchenette and restrooms.

Client - Exuberance Chiropractic

Architect - DJ Medin

Construction Cost - \$105,000

Project Size - 12,000 SF

Loeffler Role - Design-Build Contractor
