

# Hennepin County JDC Medical Suite

Minneapolis, MN

*Integrity Built*

The JDC Medical Build-Out Project includes modifications to the 1st and 4th floors to update the medical suite for juvenile clients.

Six offices and a meeting room were created in 1,400 SF on the 4th floor to provide more room for Medical to expand on the 1st floor.

Approximately 2,800 SF of space was modified on the 1st floor for exam rooms, waiting, lab, and staff areas. Work included new partitions, finishes, mechanical, plumbing and electrical.

**Client** - Hennepin County

**Architect** - Leo A Daly

**Construction Cost** - \$800,000

**Project Size** - 4,900 SF

**Loeffler Role** - General Contractor
