

Summit Cove Elementary School

Dillon, CO

Integrity Built

Loeffler provided Wold Architects and Engineers with architectural and structural cost consulting services for Summit Cove Elementary School. This project consisted of renovations to the existing entry locker rooms at each of the classrooms, to help improve daily flow of class and provide space for open classrooms.

To follow ADA requirements, the exterior pavement parking lot, as well as all restrooms, were upgraded. The faculty office area was also renovated in order to increase flow and ease of use by staff.

Client - Wold Architects and Engineers

Construction Cost - \$1,352,266

Project Size - 51,207 SF

Loeffler Role - Cost Consultant
