

Dunlap Middle School

Dunlap, IL

Integrity Built

Loeffler provided Wold Architects and Engineers with a Design-Development and Construction Document estimate for Dunlap Middle School. The project included several new additions to the existing building, which included three new classroom wing additions, collaboration spaces, circulation spaces, and restrooms. A 9,600 square foot gymnasium was also added, which hosts a storage space, a new entry vestibule, and concession stands.

Architect - Wold Architects and Engineers

Construction Cost - \$7.9 Million

Project Size - 30,000 SF

Loeffler Role - Cost Consultant
