

Marcy Open Elementary

Minneapolis, MN

The Wold logo is a white, sans-serif font set against a dark red, irregularly shaped background that resembles a stylized map of Minnesota.

Integrity Built

Loeffler provided Wold Architects and Engineers with architectural and structural cost consulting services. This project included a renovation of the existing structure, along with an addition. The renovation reformatted key areas of the school including the nurses suite and elective learning areas. The addition expanded the cafeteria and kitchen preparation rooms. New finishes throughout freshen the space and new casework was added for improved storage needs.
