

Memorial Medical Center

Niellsville, WI

Integrity Built

Loeffler provided Wold Architects and Engineers with architectural and structural cost consulting services for the new health and wellness campus. This project consisted of a ground up build which replaced the existing hospital and rural clinic.

The campus is designed to consolidate various clinic services for the community on one site, which includes a critical access hospital, rural health clinic, optometry clinic, wellness center, rehabilitation and therapy clinic, pharmacy, and long-term care facility.

Architect - Wold Architects and Engineers

Construction Cost - \$32.8 Million

Project Size - 90,000 SF

Services Provided - Cost Consulting
