

# New Hope Police & City Hall

New Hope, MN

*Integrity Built*

Loeffler provided Wold Architects and Engineers with a Design-Development and Construction Document estimate for the new construction of New Hope Police & City Hall. This project will consist of 2 phases, a ground-up build, followed by a demolish of the existing city hall.

The new Police Station and City Hall will include a parking garage, office spaces, booking cells, council chambers, conference areas, and brick/block wall cavities with curtain wall systems. All finishes, assemblies and equipment are of the highest quality to allow proper use for all employees.
