

# Absolute Health

Lakeville, MN

*Integrity Built*

Loeffler completed Construction for this lease relocation in eleven business days while assisting this health care tenant with maintaining their business operations.

The total Design and Build schedule was completed in three weeks with specific work including permit approval, removal of the previous tenant's walls and finishes, completing the remodeling with new walls, finishes, and electrical upgrades. A temporary reception desk was installed until the new reception desk could be installed. The project included care suites for chiropractic adjustments and acupuncture procedures.
